ö, and this will bring up the last 30 days of history.

Option 2: Click on History on the left hand side of the screen. Change the date range to as far back as you want it to go. This works best for checks that may have cleared longer than 30 days ago.

Step 3: When you find the draft you want to look at, click on the draft #, it will be blue or purple font. A new window will appear with the copy of that check. You can close it the window when finished viewing the item.

Drafts will be available to view for the past 90 days only. The original effective date is October 4<sup>th</sup>, 2007 for viewing.
