Board Chair & President's Joint Report

Since our 35th year began Wednesday, April 23rd, everyone is getting a 35th anniversary gift. According to anniversary gift guides, the 35th traditional gift is coral and the modern gift is jade, while the travel idea is the Cayman Islands. In honor of our anniversary, we are giving all of these away at our annual meeting celebration!! But since I am writing this on April 1st, I'm just seeing if this April Fool's joke is funny. And if we were a for-profit financial institution we might be able to get away with giving those extravagant gifts. But we are a member-owned, member-operated financial cooperative and are proud of what we do! We also would like to be your primary financial institution.

We do hope that over the years that one way or another you have saved enough to buy coral or jade or take a trip because of the savings you generally receive by using YOUR credit union! We cannot be the best of everything every time, so there are times when someone has a special that is better than what we can offer. However, I do promise you that our rate is ALWAYS better than the average rate being offered in town. And our fees are also ALWAYS lower than the average rate being charged in town.

For those of you who are currently savers, we understand your frustration of this prolonged period of low, low dividend rates. And we do remember when we were able to match the certificate rates in town. Let me give you one example of the reason we no longer do the matching on both the certificate and loan rates. We had a member who pointed out a local bank that was running a certificate at 1.77% (and yes, that is a great rate). The same week we had a member call and they were offered 1.89% for an auto loan!! If we were to operate with a gross spread of just .12% we wouldn't be here very long. And we want to be open and here for you for a very long time!

We exceeded \$40 million in assets in 2013 after exceeding 4000 members in 2012. Both of these milestones are because of the hard work by all of the people in this room – members who tell the credit union story, volunteers who give of their time and the staff who treat members like family. A big thank you goes out to all for attending the Annual Meeting and/or reading this booklet. Please ask any of the staff or volunteers about any questions that you may have.

Be sure to check out our website at www.hcpfcu.coop for all of the services we offer. We encourage you to use as many as are feasibly possible for your individual situation. The more members who use our services, the more cost effective the services can become. Our goal is to provide you with great products, great service, great rates and a great deal when you use your credit union!

Our building has seen four years now and our data processing system is in its third year. We continue to encourage members to use our online internet banking product which includes Bill Pay and receiving monthly statements electronically. Look for some new branding of our slogans and taglines to start appearing later this year.

Both of us would like to extend our heartfelt thanks to the volunteers and staff for their dedication prior to and including 2013. All staff and volunteers continue to educate themselves in this ever changing financial world. This allows them to serve our memberowners in the manner that they deserve to be served! Each and every year has different opportunities and challenges for both the credit union and the credit union member owners. We will be here to tackle those challenges and help our members tackle their challenges as well. We hope that you will come and See What We Can Do...

Supervisory Committee Report

The primary goals for the Supervisory Committee are to ensure that the Management's financial reporting objectives have been met, and that the Management's practices and procedures safeguard the member's assets. The Supervisory Committee meets eight times per year or more often if needed. We have a work plan from which we review policies, do loan reviews, and monitor account changes. Performing these activities helps provide confidence that management is following the policies and procedures that have been put in place by the Board of Directors to safeguard your assets. The Supervisory Committee also reviews examinations and audit findings and follows up on the findings to ensure corrective action takes place. Finally, we research any formal member complaints. Our ultimate goal is to ensure the Credit Union's financial statements and filings are accurate.

Harrington & Associates, LLP, Certified Public Accountants of Huron, SD audited the Healthcare Plus Federal Credit Union's financial statements as of September 30, 2013 and 2012. They reported no significant problems. As in previous years, the auditors are pleased with the staff for their efforts and success, as well as the dedication of the volunteers. The audited financial statements and compliance reports are available upon request from the Credit Union for anyone who is interested.

Please accept our thanks for the opportunity to serve the Credit Union and its members.

Marketing Committee Report

Persistence, determination, longevity – three traits that often go together and normally produce good results. We see these things when watching a sports team, an individual pursuing a dream, or a business with a good idea. The credit union industry can surely relate to the latter: the long history of people helping people is a testament to a good idea becoming great. And here at Healthcare Plus Federal Credit Union, as we reach our 35th anniversary this year, we understand and continue to pursue these qualities each day.

2014 marks Healthcare Plus Federal Credit Union's 35th anniversary, and it's certainly not a milestone that will go unnoticed. Tonight's meeting kicks off our celebration and reminds us of our founding. It truly is remarkable to think of the determination of those who started it all back then. They provided a place for hospital employees to save money and borrow for the necessities of life – just another example of a good idea that became great. We'll recognize that idea and all that goes with it in the coming months, including our family picnic on Saturday, June 7. We invite all of our members to join us at Storybook Land's Visitor Center from 11:30-1:30 for lunch and fun. Please check out next month's statement for details.

All of us at Healthcare Plus Federal Credit Union thank you for your part in this great idea called a credit union. You provided the inspiration, and you continue to provide the reason for our existence. Yes, persistence and determination often lead to longevity and to success, and we're happy to supply that formula of people helping people to you. Here's to the next 35 years!
